

Paper 2 DOMAIN SPECIFIC E RESOURCES - AN EVALUATION

PAPER ID:IJIM/V.4(VIII)/3-20/2

AUTHOR: Anju S Nair and Nanda Lal T S

TITLE :DOMAIN SPECIFIC E RESOURCES - AN EVALUATION

ABSTRACT:The paper focuses on the various aspects of e-resources. Electronic resources solve storage problems and control the flow of information. This article deals with the various sources of electronic information, its advantages and disadvantages. It also gives a small picture of the various electronic resources used by research scholars in various domains such as Science, Social Science and Humanities. The research scholars mainly use three types of e-resources. They are e-books, e-journals, and databases. The study is concerned with these e-resources.

Keywords:E resources, Domain specific, UGC Infonet, OPAC, Institutional Repository
